**FORMATION OF HARMON ASSOCIATES INDIA
PRIVATE LTD. ANNOUNCED**

JERICHO, NY – Harmon Associates LLC, a subsidiary of Georgia-Pacific LLC, and Remizzo Inc. proudly announce the formation of Harmon Associates India Private Ltd.

The new entity was created to provide logistics services for Harmon Associates recycled paper customers throughout India. The Mumbai office of Harmon Associates India Private Ltd will open December 1.

Harmon Associates India will have dedicated employees to inspect incoming containers at the port, verify the quality of material and assist customers with customs clearance and trans-shipment from port to customer factory.

“Together with our long-term sales consultant, Remizzo Inc., Harmon Associates is responding to the growing recycled paper and plastic needs of our customers in India,” said Simon Davies, president of Harmon Associates. “The creation of this new entity demonstrates our commitment to be a full-service provider for our new and existing customers in India, in addition to offering new opportunities for our supply base in North America, Europe and around the globe.”

“We are pleased to join with Harmon Associates to create a new entity that will provide timely service to our customers and shows our commitment to the market here,” said Raza Chouls, president of Remizzo Inc.

Already one of the world’s largest pure traders of recycled fiber, moving in excess of 100 thousand tons per week, Harmon is focused on growing its business by building and improving on its network of trading partners, suppliers and customers around the world. Headquartered at Atlanta, Georgia-Pacific is one of the world’s leading manufacturers and marketers of building products, tissue, packaging, paper, cellulose and related chemicals. The company employs approximately 50,000 people at more than 300 locations in North America, South America and Europe. For more information, visit www.gp.com.
